

Honest Illusions

Honest Illusions - Honest illusions is committed to the arts through communications by means of marketing, production and corporate brand building. We take great pride in providing the best quality of productions that our clients can brag about. Honest Illusions is another of Roberts' "time progression" stories in that it moves through different periods of the characters' lives instead of only being set in the present. The book starts off in the now with a short prologue where the hero, Lu This is one of my all-time favorite books. Honest Illusions begins in the present, then flashes back to the past to give history before jumping back. Luke Callahan is a runaway; escaped from a life that makes Oliver Twist's look like Pollyanna by comparison. Honest Illusions is a growing multimedia production company. We have a team of experience professional staff you can trust. We were founded on the principles of Teamwork, Professionalism, Excellence and Integrity. We believe it is the customer's right to hold us to these principles.
